

## #WinItWednesday 22/07/2020

Each winner will receive an EESW goody bag and be entered into the draw for an Amazon voucher!

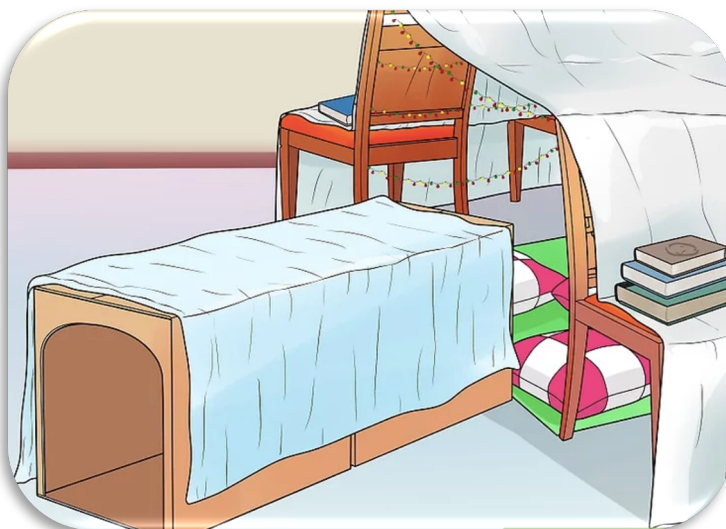

Choose one or both the Fun Challenge and  Stretch Challenge and get creative with your STEM skills! Good luck!

### Fun Challenge: Build a Fort

The summer holidays are here and there's no better feeling than creating your own hideaway!

Using materials in your home or garden, build a fort that you can comfortably sit inside. You'll need to consider which materials will be strong enough to keep the fort standing, as well as which will be easiest to build with.

### Stretch Challenge : Design a Treehouse

Treehouses are not just fun ideas, they require a lot of STEM skills to design! They need to be designed well to stay safely in the treetop. Imagine and design your dream treehouse. Include what it will be made of, how it will stay safely secured in the tree, and any unique features it will have. Get creative!

Submit your competition entry (either pictures, videos or designs) to [i2e@eesw.org.uk](mailto:i2e@eesw.org.uk) or to our Twitter or Facebook account by 12pm Tuesday, 28<sup>th</sup> July. Winners announced 3pm Tuesday 28<sup>th</sup> July. Good luck! Pob lwc!
