F1 in a Day

EESW have put together a guide to help you and your team create:

- Your own F1 in Schools car
 - Portfolio of work
 - Presentation

You can register up to 5 teams of 3-6 members at
<https://www.f1inschools.co.uk/registration1.html>

Part 1- Download Fusion

1. Download Fusion 360 from
<https://tinyurl.com/y2oyzpv3>

2. Set up the team's account after downloading Fusion 360

3. For a guide to download Fusion 360, visit
<https://tinyurl.com/y5p3zm6p>

Part 2- Creating your F1 in Schools car

In teams of 3- 6, split the group into 3. The groups will work on the following:

- Group 1: CAD drawing
- Group 2: Portfolio
- Group 3: Presentation

Group 1

1. Download the No-Go Zone from

<https://www.f1inschools.co.uk/downloads.html>

2. Using the EESW portal: Drawing with CAD, you can create your own F1 in Schools car

<https://tinyurl.com/yxcjr95x>

Contact hannah@eesw.org.uk if there are any queries.

Part 3 - Portfolio

Group 2

Your portfolio will show off your team's work. Group 2 will need to:

1. The portfolio will have 5 pages.
 - Your group's initial ideas for the car design.
 - Screenshots/ pictures of the CAD work.
- Include an evaluation of your work and what you would improve next time.
 - Show your team identity including a logo.

Contact hannah@eesw.org.uk if there are any queries.

Part 4 - Presentation

Group 3

Your presentation will be 5 minutes where everybody takes part:

- Describe why you are involved with F1 in Schools.
 - What did you find difficult?
 - What did you enjoy about F1 in Schools?
- Describe how you designed your F1 in Schools car.

Contact hannah@eesw.org.uk if there are any queries.
