

**Competition open to all schools
across England, Scotland, Wales and
Northern Ireland**

IET 150 My Sustainable Community Competition 2021-22 Entry Form

The IET 150: My Sustainable Community Competition celebrates 150 years of the Institution of Engineering and Technology.

Competition Classes and entry requirements:

The competition is open to individual and group entries from primary schools, secondary schools, home educators and community groups across the UK. There are three categories of entry – Individuals, Small Groups (up to 10 per group) or Large Groups (over 10 per group), plus two Classes for each category – Class 1 (ages 7-10) and Class 2 (ages 11-14).

Competition Class	Individual Entry:	Small Group (2-10):	Large Group (10+)
1 Age 7-10	A booklet/poster, plus a small community model or individual model of part of the community.	A project booklet, plus a completed community model or several individual models of different areas of the community.	A class project booklet, plus a completed community model or several individual models of different areas of the community.
2 Age 11-14	A portfolio/booklet/poster, plus a small community model or individual model of part of the community	A portfolio (suggested length of 14 pages), plus a completed community model or several individual models of different areas of the community.	A portfolio (suggested length of 15+ pages), plus a completed community model or several individual models of different areas of the community.

Please note, all information provided is a suggested amount, there is no maximum or minimum number of pages required for the portfolio, or for the number of models submitted. Models can be physical or digital, or a combination of both.

The competition closing date is FRIDAY 28th January 2022

You can download all the competition resources from:
